

## Micil Madeira Island

**SINGLE POT STILL IRISH WHISKEY | 46%ABV | 700ML**

A rich, spicy Single Pot Still Irish Whiskey that has sweet, crisp, dark and stone fruit notes from a Madeira wine cask finish. Ex-peated quarter casks lend their distinct gentle turf smoke, evoking the sweet, subtle peat of the finest Connemara *fuisce*. Inspired by the Galway distilleries of the past, and the city's historical trade links with France, Spain and Portugal.

All component whiskeys sourced from Great Northern Distillery, Co. Louth.

WHISKEY STYLE	ABV	FILTRATION	COLOUR
Single Pot Still	46%	Non Chill	Natural

BATCH NO.	NO. OF BOTTLES	BOTTLE SIZE
1/22	1754	700ml

## Micil Madeira Island Creation:

Taking inspiration from the Pot Still whiskeys of the past produced in Galway city, we wanted to interlace Pot Still whiskey with a hint of smoke reminiscent of Connemara *fuisce* and with a wine influence suggestive of the many casks that landed in Galway port throughout the 17th, 18th & 19th centuries.

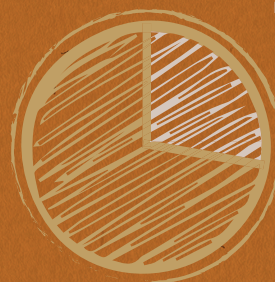

The initial component selected was:

- 100% Triple distilled Pot Still matured in ex-bourbon

This component was subsequently filled into Madeira casks sourced from Casknolia in Montilla, Spain, and ex-peated whiskey quarter casks sourced from Alter Oak in France, which we used to create Micil Madeira Island. After an 11 month finishing period, these components were vatted/blended together before being cut to 46% ABV for bottling.

### MICIL MADEIRA ISLAND CREATION:

**72% TRIPLE  
DISTILLED POT STILL:**  
FINISHED IN 225 LITRE  
MADEIRA WINE CASKS

**28% TRIPLE  
DISTILLED POT STILL:**  
FINISHED IN 125 LITRE  
PEATED WHISKEY  
QUARTER CASKS

BOTH COMPONENTS INITIALLY  
MATURED IN EX-BOURBON CASKS
